AIR JAPAN B767 FIRST OFFICER

Longreach Aviation, in partnership with Crew Resources Worldwide, is pleased to offer these excellent commuting contracts with Air Japan for First Officers on the B767 for both type rated and non-type rated experienced airline pilots.

Air Japan operates scheduled services under the ANA brand and is based at Narita Airport, Japan, operating a fleet of 25 B767-300 ER passenger aircraft, plus 9 B767-300 freighter aircraft to destinations within Asia such as Beijing, Seoul, Bangkok, Singapore and Honolulu with more destinations planned.

These contracts are for 5 years in length and offer an excellent commuting package with a block of 10 days off per month as a contractual minimum. Additionally, current policy is to allow 2 extra days for commuting, and the possibility exists to add 2 vacation days giving a total of 14 days off as a block.

Note: Air Japan is one of the very few contract airlines that provides upgrade to Captain for their First Officers!
