

WEST AIR

AIRBUS A320 CAPTAIN

Longreach Aviation China is pleased to offer these Captain positions with West Air, winner of SKYTRAX's "Best Low-Cost Airlines in China 2017".

West Air is a subsidiary of the Hainan Airlines group which is China's fourth largest commercial airlines. West Air operates scheduled services out of the western city of Chongqing to domestic destinations throughout China with a fleet of 35 A320 aircraft.

These contracts are 3 years in length, and provide 2 different roster patterns to suit all lifestyles.

All remuneration is net/after taxes in China and is well above industry average salary for A320 pilots.

West also provide a generous US\$10,000 per year for air travel with discount travel available for your family on West Air and Hainan Airlines.

Review our website at www.longreachchina.com or contact us for more information on this or any other position.
