## A320 & B737NG RATED CAPTAINS

**Lucky Air**  
祥鹏航空

Lucky Airlines of Kunming in Western China is looking for A320 and B737 Captains for its fleet of aircraft.

Lucky will also consider current A320/B737NG Captains willing to fly as line A320/B737NG Captains for 1 year before transitioning to the A330.

Lucky Air offers 4 roster types to suit all lifestyle choices from living locally in Kunming, a renowned tourist destination where the climate is moderate all year round and enjoy the lifestyle in one of China's most liveable cities to month-on-month-off.

Lucky offers an excellent remuneration package for all roster choices, a loyalty bonus of up \$25,000 for contract renewal, after each 3 years contract period.

It will be difficult to find a better package of salary and benefits, especially since all remuneration is net/after taxes in China.
