

# CHINA EXPRESS AIRLINES

## CRJ-900 CAPTAINS

China Express is China's first private regional airline and operates a fleet of CRJ-900 aircraft from its base at Chongqing, China and requires experienced CRJ Captains.

These are excellent conditions for CRJ qualified pilots who wish to earn over \$20,000 per month, tax free in China, or have a leisurely month on month off lifestyle and still earn almost US\$14,000 per month, each and every month!

Contracts are 2 year renewable with the two roster choices, either a 'resident' or a 'commuting' option and both male and female pilots are encouraged to apply.

Pilots choosing to live locally fly an average of 75 hours per month, whilst those selecting month ON/OFF will fly 700 hours per year. Very generous overtime rates are payable if those targets are exceeded.

Full on ground support throughout China is provided by Longreach with a team of local staff to support all of our pilots and their family.
