

IBEX AIRLINES

CRJ-700 CAPTAINS

IBEX Airlines is based in Sendai, northern Japan, and operates a fleet of CRJ700 aircraft. IBEX has an immediate need of experienced CRJ Captains to assist with a planned expansion of operations and the planned arrival of CRJ900 aircraft.

Contract length is 4 years offering both commuting and non-commuting roster options. Commuting rosters have 20 consecutive days off in a 2 month period, whereas those choosing to live locally will have 10 days off each month.

Furthermore, at the end of your 4 year contract pilots are guaranteed an interview for a direct entry A320 Captain position with Peach Airlines!

Excellent conditions are offered, with housing allowance available, commuting ticket allowance, moving allowance, educational support in Japan, and a generous contract completion bonus.

These positions are offered on behalf of TWI Aviation, and pilots will have access to all the benefits of being a Longreach contract pilot.

Review our website at www.longreachaviation.com or contact us for more information on this or any other position.
