B744 CAPTAIN: TR & NTR

Uni-Top Airlines, based in Wuhan, the capital of Hubei province in central-eastern China requires experienced B744 captains for its expanding international cargo operations.

Captains with Boeing and Airbus PIC experience and current type-ratings may be considered for a B744 command position, being assessed on their current position and previous experience. This will suit pilots who have previous B744 experience but are currently on a different type.

These are 3 year renewable contracts, 18on/12off commuting roster choices, with 'back to back' rostering available on request.

Remuneration is based upon 60 block hours per month with overtime payable US\$250 per hour, depending on total hours for the month. A very generous loyalty bonus of US\$36,000 is payable over the course of the 3 years contract period on top of a Contract Renewal Bonus.

Accommodation is 4 star or above, ticket and insurance allowances are given, and sick leave is available plus all chinese income taxes are paid by Uni-top.
