

CHINA SOUTHERN AIRLINES B787 CAPTAINS

中国南方航空
CHINA SOUTHERN

China Southern Airlines is one of the most sought after contract positions in China.

China Southern, headquartered in Guangzhou, Southern China, is the world's 6th largest airline and requires both type-rated and non-type rated pilots for its expanding B787 fleet.

China Southern offers pilots the choice of being based in Guangzhou, or 'reverse rostered' to destinations on the B787 network.

Contract is four years in length and renewable until 60 years old, pilots can choose from two roster options which provide 10 days in a block or 8 days off at home per month. Pilots choosing Mode CAN will also receive a monthly accommodation allowance.

In addition, all remuneration is net/after taxes in China.

Review our website at www.longreachchina.com or contact us for more information on this or any other position.
