

DEER JET AIRLINES

GULFSTREAM V CAPTAINS

Deer Jet requires experienced Gulfstream V Captains to command its expanding fleet of Gulfstream aircraft. Currently Deer is planning to add 5 more GVs by the end of 2014!

Deer is currently the largest corporate jet operator in China and continues to expand its services across China and the globe.

Deer operates a fleet of Boeing BBJs, Airbus ACJs, Gulfstream Vs and Falcon 7Xs across China and the Middle East.

These contracts are 3 years in length, are based in Beijing with the possibility of rotations through Dubai and Abu Dhabi depending upon company requirements.

Excellent choice of lifestyle is available with 4 differing roster patterns. All remuneration is net/after taxes in China.

In addition, Longreach will provide Loss of Life insurance, Medical Insurance and for some positions, full Loss of Income protection.

Review our website at www.longreachchina.com or contact us for more information on this or any other position.
