

# LUCKY AIRLINES A330 CAPTAINS

**Lucky Air**  
祥鹏航空

Lucky Airlines of Kunming in Western China is looking for A330 Captains for its fleet of A330 aircraft.

Applicants may be current A330 Captains or previous A330 Captains whose rating has expired but have flown the A330 within the past year.

Lucky Air offers 4 roster types to suit all lifestyle choices from living locally in Kunming, a renowned tourist destination where the climate is moderate all year round and enjoy the lifestyle in one of China's most liveable cities to month-on-month-off.

Lucky offers an excellent remuneration package for all roster choices, a loyalty bonus of up \$25,000 for contract renewal, after each contract period of 3 years.

It will be difficult to find a better package of salary and benefits, especially since all remuneration is net/after taxes in China.
