

XIAMEN AIRLINES BOEING B787 CAPTAINS

Longreach Aviation China is pleased to offer B787 Captain positions based in the picturesque coastal city of Xiamen, one of China's cleanest and greenest cities, consistently ranked in the top 5 cities in China for air quality.

Xiamen Air currently operates a fleet of 163 aircraft with nearly 400 routes to and from over 50 major cities, including Hong Kong, New York and Sydney. Xiamen Airlines is a recipient of a "Five Star Global Airline" ranking in the 2021 Official Airline Ratings by APEX.

As a part of their fleet expansion, Xiamen now operates a dozen of the new Dreamliner B787-8 and B787-9 across four continents, with additional B787's on order.

Contracts are 3 years in length with excellent remuneration and the prospect of a financial performance bonus. Due to COVID restrictions, the current contract is non-commuting and based in Xiamen. All income is net of Chinese taxes.
